

# Approval for Additional Semester of Funding

## DEPARTMENT OF BIOLOGY

Student: \_\_\_\_\_ Degree: \_\_\_\_\_

Semester & Year Admitted: \_\_\_\_\_

MS students receive 2 years of guaranteed support and PhD students receive 5 years of guaranteed support. Graduate students may receive one semester of additional funding if they haven't graduated within their allotted time. If funding is granted, graduate students will receive an RA if their TA requirement is complete. This request for funding includes tuition and insurance scholarships. If the funding is granted, it is expected that the student will be graduating at the end of this additional semester.

**Graduate Student:** Explain why an additional semester is needed (what has kept you from graduating).

---

---

**Committee Chair:** Explain justification for extension of funding.
